

GLOBAL

2022-23 FAITH COMMITMENT

The term Global encompasses who we are and what we do everywhere in the world—both locally and to the ends of the earth. In order to make Christ known to everyone in every place, we continue to grow in the areas of praying, giving, and going in God’s global mission. Over the next year, I commit to...

GROW:

- I commit to approach my daily life with a missions mindset—at home, at work, at school, and in my community. This means praying, seeking, and sharing in gospel conversations with those in my life.
- I commit to participate in a “Where Do I Fit In?” group this year to explore how God has designed and shaped me to serve him.
- I commit to learn about living on mission through a group study this year: *(mark all topics that interest you)*
 - Evangelism and gospel conversations training
 - Understanding the Big Picture of missions from scripture
 - Healthy missional practices

PRAY:
